

Beaver Adaptations

January Featured Presentation

Pre-K through 4th Grade

We will talk about beavers and what adaptations they have to help them survive. Students will watch as we re-view the adaptations while a fellow student wears a costume to represent each adaptation.

Academic Content Standards

Kindergarten:

Living things are different than non living things.

2nd grade :

Living things cause changes on earth.

4th grade:

Changes in an organisms environment are sometimes beneficial to its survival and sometimes harmful.

1st grade:

Basic needs of living things.

3rd grade:

Individuals of the same kind differ in their traits and sometimes the differences give individuals an advantage in surviving and reproducing.
