

Tremendous Trees

May's Featured Presentation

Grades Kindergarten to 4th

Academic Content Standards

Kindergarten:

Living things have certain characteristics.

1st grade:

Living things can only survive in environments that can support their needs.

2nd grade:

Living things interact with their physical environment.

3rd grade:

Trees use different structures to survive. Similarity of parent and offspring.

4th grade:

Environmental changes can be positive, neutral, or detrimental.
